

STAR OF THE WEEK

Your child has been selected to be our classroom's Star of the Week for the week of _____ . As our star he/she may bring in up to ten photos and the attached questionnaire to share with the class on Monday morning. Your child may also bring in one special thing to share on Friday. If the special sharing cannot be left in the classroom for the day (such as a dog), please contact me in advance to arrange a good time for your child to share.
